This Product Disclosure Statement (PDS) outlines the main features and benefits of *TelstraSuper Corporate Plus* and how your account works. It's a summary of significant information and contains a number of references to important information (each of which form part of the PDS). You should consider that information before making a decision about this product.

© Telstra Super Pty Ltd.
® is a registered trademark in Australia of Telstra Corporation Limited.

Telstra Super Pty Ltd ABN 86 007 422 522, AFSL 236709 is the trustee of the Telstra Superannuation Scheme ABN 85 502 108 833 (TelstraSuper) and is referred to throughout this PDS as "we", "our" or "us".

TelstraSuper MySuper authorisation number 85502108833326.

TelstraSuper's Trustee is a company, Telstra Super Pty Ltd. The Trustee has a licence to deal in and provide general advice about superannuation products.

TelstraSuper is a super fund that provides super benefits to current and former employees of Telstra, Foxtel, Sensis, other Telstra associated companies (Telstra Group), and Telstra approved employers (Telstra Stores), as well as their eligible family members.

The information provided in this PDS is general information only and does not take into account your personal

financial situation or needs. Information in this PDS that does not materially affect your super may change from time to time.

Any updated information will be available on our website at telstrasuper.com.au or a copy of any updated information can be requested free of charge by calling **1300 033 166**.

01

About TelstraSuper and TelstraSuper Corporate Plus

TelstraSuper manages around \$21 billion on behalf of members. We are committed to providing competitive and cost-effective superannuation services to our members.

TelstraSuper Corporate Plus has been specifically designed for current employees of the Telstra Group. Wherever you work in the Group – Telstra, Foxtel, Sensis or with an associated Telstra company – you can join.

TelstraSuper provides a range of benefits designed to enhance your super entitlements while you're working and into retirement, including:

- competitive fees – TelstraSuper is committed to providing ongoing value to our members
- competitive investment returns and a proven track record*
- default* insurance cover and flexible insurance options providing security for you and your family
- retirement products that give you an income stream when you are close to, or in retirement
- access to financial advice to help you achieve your financial goals.

TelstraSuper offers a broad range of investment options including diversified options, single asset class options, a self-managed option and a MySuper option, and is authorised to accept employer contributions. Our MySuper arrangement has three age-based investment stages as shown in the table on page 4. You can view the product dashboard of our MySuper arrangement at telstrasuper.com.au/productdashboard

For details of our Trustee and executive remuneration and other important information as required by law, visit telstrasuper.com.au

* Awarded Platinum Performance by independent ratings agency SuperRatings. Past performance is not a reliable indicator of future returns.

^ Conditions apply, see page 7 for details.

02

How super works

The purpose of super is to help you save for retirement. To ensure most people have at least a basic level of super, the government has made it compulsory for employers to make super contributions for their employees. On top of that, there are other types of contributions you can make. In some cases you may be eligible for government co-contributions.

While the government provides tax incentives to contribute to super, it also has set limits.

How your TelstraSuper Corporate Plus account works

Money in

Employer contributions
(generally 9.5% of your salary)
Your contributions (if any)
Co-contributions (if eligible)
Super you roll-in (transfer)

Money out

Management fees and costs
Insurance premiums
Tax payable

Your units

All contributions or roll-ins buy units in the default investment option or your chosen option(s)

Your super's value

Your units x current unit prices of your investments (after adjusting for any applicable buy-sell spread)

Employer contributions

By law your employer must make Superannuation Guarantee (SG) contributions equal to 9.5% of your salary, up to a salary cap. Your employer may contribute more if you've negotiated this with your employer.

Member contributions

With *TelstraSuper Corporate Plus* you can boost your super by making additional contributions.

You can make contributions from your pre-tax (concessional) or post-tax (non-concessional) salary, either as a regular fortnightly salary deduction or as a one-off lump sum payment. Most employers allow pre-tax contributions but you'll need to check.

You can start, stop or change the amount of your member contributions at any time.

Government co-contributions

If you earn less than the income threshold and make post-tax contributions of up to \$1,000, the government will boost your super with a co-contribution of up to \$500. Find out more at telstrasuper.com.au

Tax savings

To encourage retirement savings, the government provides favourable tax rates for super contributions, as long as they're within the contribution limits (caps), and on investment earnings. Find out more in Section 7, 'How super is taxed'.

Find out how contributing a bit extra can make a big difference

- Read the **Additional Information About Your Super Guide** available at telstrasuper.com.au/pds
- Use our **Retirement Income Projector** available on our website to estimate your projected super balance at retirement and see the difference extra contributions will make.
- Speak to an Adviser over the phone – at no additional cost as it's part of your TelstraSuper membership. Call TelstraSuper Financial Planning on **1300 033 166**.

Your choice

Most people can choose the super fund their employers' Superannuation Guarantee (SG) contributions are paid into. If you don't make a choice, your SG contributions will be paid into the default super fund of your employer. For Telstra Group employees, we're your employer's default fund and you'll automatically become a member of *TelstraSuper Corporate Plus* if you don't make a choice.

If you change jobs, you can arrange for your new employer to pay your SG contributions to your TelstraSuper account. Simply nominate TelstraSuper on the Super Choice form your new employer will give you, using the following details:

Fund name: Telstra Superannuation Scheme
Member number: available on your statement
ABN: 85 502 108 833
USI: TLS0100AU

Alternatively, visit telstrasuper.com.au/choice where you can complete an online form that will be emailed to your employer nominating TelstraSuper as your fund of choice.

Accessing your super

There are restrictions on when you can access your super. Generally, you can't access your money until you reach your preservation age which depends on your date of birth as shown in the table below:

Date of Birth	Preservation Age
Before 1 July 1960	55
1 July 1960 – 30 June 1961	56
1 July 1961 – 30 June 1962	57
1 July 1962 – 30 June 1963	58
1 July 1963 – 30 June 1964	59
After 30 June 1964	60

There are some special circumstances where your super can be accessed earlier. To find out more visit telstrasuper.com.au

03

Benefits of investing with TelstraSuper Corporate Plus

As a leading profit-to-member fund, our sole objective is to help you achieve a financially secure future.

With *TelstraSuper Corporate Plus* you receive:

- benefits on retirement, resignation, retrenchment, death and disability
- competitive fees
- a broad range of investment options, including a self-managed option (Direct Access) to invest in term deposits and listed securities such as ASX300 shares and Exchange Traded Funds (ETFs)
- security for your family through default* base Death & Total and Permanent Disablement (TPD) cover and Income Protection† cover (permanent full-time and part-time employees only)
- the option to apply for additional Death cover up to any amount and additional TPD cover up to \$5 million in total
- a flexible retirement income stream for when you are ready, or almost ready, to retire
- access to financial advice through TelstraSuper Financial Planning
- secure access to your personal details through your online account at telstrasuper.com.au or via the TelstraSuper app available at telstrasuper.com.au/mobile
- no matter where you go we can be your fund for life.

* Conditions apply, see page 7 for details.

† Not applicable to former *TelstraSuper Division 2* members.

You should read the important information about benefits of investing with *TelstraSuper Corporate Plus* before making a decision. Go to telstrasuper.com.au/pds and read the **Additional Information About Your Super Guide**.

The material relating to Benefits of Investing with *TelstraSuper Corporate Plus* may change between the time when you read this PDS and when you acquire the product.

04

Risks of super

Like any investment, there are risks with investing your super. Different investment options carry different levels of risk depending on the assets that make up those options.

The investment option(s) you choose will change in value over time and may rise or fall at different times. Future returns may differ from past returns.

Assets with the highest long-term returns may also carry the highest level of short-term risk. Investment returns aren't guaranteed and there's a risk you may lose some of your savings.

On its own, your super (including contributions and investment returns) may not provide adequately for your retirement. The significant risks of investing in *TelstraSuper Corporate Plus* are inflation, individual investment, market, interest rate, currency, derivative and manager risks and changes to superannuation law.

How much these risks affect your investments will depend on the option(s) you choose and the mix of assets they are invested in. See Section 5, 'How we invest your money'.

Invest to suit you

Everyone has a different attitude towards risk and return. When deciding how to invest your super it's important to consider your age, investment timeframe, risk tolerance and any other investments you may have.

You should read the important information about the risks of investing in TelstraSuper before making a decision.

Go to telstrasuper.com.au/pds and read the **Investment Guide**.

The material relating to risks of investing may change between the time when you read this PDS and when you acquire the product.

05

How we invest your money

As a *TelstraSuper Corporate Plus* member you can choose from a broad range of investment options so that your super savings are invested in the option that best suits you. We offer:

Diversified investment options:

- Growth, Balanced, Diversified Income, Defensive Growth and Conservative

Single asset class options:

- International Shares, Australian Shares, Property, Fixed Interest and Cash

Direct Access:

- A self-managed option with access to term deposits and listed securities such as ASX300 shares and Exchange Traded Funds (ETFs)

MySuper – for members who don't make an investment choice

- MySuper Growth (for members aged under 45), MySuper Balanced (for members aged 45 to under 65) and MySuper Conservative (for members aged 65 and over)

The Trustee has the flexibility to add, remove or change investment options or strategy or other characteristics of MySuper or other investment options as needed. If significant changes are made we'll notify you.

Making your investment choice

You can choose to invest your super in one or more investment options and change option(s) as often as you like. To change your investment option(s), log in to your online account or complete an **Investment Choice** form available at telstrasuper.com.au/forms When you change options any applicable buy-sell costs will be charged. Find out more at telstrasuper.com.au

Factors to consider

- Before you choose your investment option(s) you should consider your age, investment timeframe, financial objectives and the likely investment return and risk of the relevant option(s).
- Speak to an Adviser over the phone if you need help with your investment strategy – at no additional cost as it's part of your TelstraSuper membership. Call TelstraSuper Financial Planning on **1300 033 166**.

MySuper

If you don't make an investment choice when you join, you'll automatically become a MySuper member of *TelstraSuper Corporate Plus*. MySuper, our default investment option, has three age-based investment stages as outlined in the table below. That way younger members who have longer to invest can benefit from higher growth strategies with higher risk, while older members who need more stability in their returns closer to retirement can invest more conservatively. As you age, your account balance is automatically transferred to the relevant MySuper investment stage, without incurring a buy-sell spread.

You can choose to be wholly or partly invested in MySuper and you can switch in and out of MySuper, just like any other investment option.

You should read the important information about our investment options before making a decision.

Go to telstrasuper.com.au/pds and read the **Investment Guide**.

The material relating to investment options may change between the time when you read this PDS and when you acquire the product.

TelstraSuper's MySuper

Someone who joined at 40 would go into MySuper Growth and stay there until 45, unless they made an investment choice

Member	Under 45	45 to under 65	65 and over
Go into MySuper	Growth	Balanced	Conservative
Which is	A diversified investment option with a strong bias towards growth assets and a smaller allocation to mixed and defensive assets. This option involves a higher level of risk to target greater returns over the longer term and is suited to investors who are comfortable with high levels of volatility in returns, particularly over the short term.	A diversified investment option with a moderate bias towards growth assets, balanced by an allocation to defensive and mixed assets. This option suits investors who are seeking growth and are comfortable with volatility of returns, particularly over the short term.	A diversified investment option with a bias towards defensive assets to minimise short-term fluctuations but some exposure to growth assets for longer-term growth. Suits investors who want to maintain some growth with lower risk of capital loss.
Investment mix and asset ranges	International Shares 40% (20-60%) Australian Shares 30% (10-50%) Unlisted Property 10% (0-25%) Infrastructure 7% (0-15%) Private Markets 5% (0-15%) Alternative Debt 4% (0-20%) Cash 2% (0-10%) Listed Property Trusts 2% (0-10%) Australian Fixed Interest 0% (0-15%) Credit 0% (0-10%) Hedge Funds 0% (0-5%) Income Securities 0% (0-10%) International Fixed Interest 0% (0-15%) Opportunities 0% (0-10%) Foreign Currency Exposure (10-50%)	International Shares 30% (10-50%) Australian Shares 24% (0-40%) Unlisted Property 10% (0-25%) Australian Fixed Interest 7.5% (0-20%) Infrastructure 7% (0-15%) Cash 6% (0-15%) Private Markets 5% (0-15%) Alternative Debt 4% (0-20%) International Fixed Interest 2.5% (0-15%) Credit 2% (0-10%) Listed Property Trusts 2% (0-10%) Hedge Funds 0% (0-5%) Income Securities 0% (0-10%) Opportunities 0% (0-10%) Foreign Currency Exposure (5-45%)	Australian Fixed Interest 21% (5-35%) Cash 21% (10-30%) International Fixed Interest 14% (0-25%) International Shares 14% (0-30%) Australian Shares 10% (0-30%) Unlisted Property 10% (0-25%) Infrastructure 5% (0-15%) Alternative Debt 3% (0-20%) Listed Property Trusts 2% (0-10%) Credit 0% (0-10%) Hedge Funds 0% (0-5%) Income Securities 0% (0-10%) Opportunities 0% (0-10%) Private Markets 0% (0-10%) Foreign Currency Exposure (0-30%)

Investment timeframe	7 – 10 years	5 – 10 years	3 – 10 years
Risk objective	A high level of risk expected to generate 4 to less than 6 negative annual returns over any 20 year period.	A high level of risk generating 4 to less than 6 negative annual returns over any 20 year period.	A low to medium level of risk expected to generate 1 to less than 2 negative annual returns over any 20 year period.

Fees and costs

Did you know?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns.

For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30 year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify the higher fees and costs.

You or your employer, as applicable, may be able to negotiate to pay lower fees. Ask the fund or your financial adviser.

TO FIND OUT MORE

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** website (www.moneysmart.gov.au), has a superannuation calculator to help you check out different fee options.

Additional explanation of fees and costs

Changing fees

While we keep our fees competitive, there are times we need to introduce new or increased fees. We'll give you at least 30 days' notice before any changes are made.

Indirect costs and investment fees are based on a number of factors and will vary from time to time. The indirect cost ratio and investment fees will change depending on your chosen investment option.

If you're in MySuper, the indirect cost ratio and investment fees will change depending on your age and relevant MySuper investment stage.

Our fee structure is consistent across all accumulation products.

Additional fees (advice fees) may be payable to Telstra Super Financial Planning Pty Ltd out of your TelstraSuper account if you obtain personal advice from TelstraSuper Financial Planning and the advice relates to super matters. Details of these fees will be set out in your Statement of Advice. See the **TelstraSuper Financial Planning Financial Services Guide (FSG)** available on our website for further information about the cost of advice.

You should read the important information about fees and costs before making a decision. Go to

telstrasuper.com.au/pds and read the **Additional Information About Your Super Guide**.

The material relating to fees and costs may change between the time when you read this PDS and when you acquire the product.

The table below can be used to compare costs between TelstraSuper and other superannuation products. Fees and costs can be paid directly from your account or deducted from investment returns or Fund assets.

TelstraSuper's MySuper arrangement				
Type of fee	Amount	How and when paid		
Investment fee ^{1,4}	0.35% p.a. for MySuper Growth 0.29% p.a. for MySuper Balanced 0.24% p.a. for MySuper Conservative	Deducted in the calculation of unit prices daily.		
Administration fee ¹	\$1.50 per week	Deducted from your account at the end of each quarter or when you leave the Fund. In addition, indirect administration fees of 0.20% p.a. are included in the indirect cost ratio below.		
Buy-sell spread	0%	Deducted in the calculation of unit prices at the time of the transaction.		
Switching fee	Nil	N/A		
Advice fees relating to all members investing in a particular MySuper product or investment option	Nil	The cost of general and simple personal advice about your TelstraSuper account is included in the administration fee paid by all members.		
Other fees and costs ²				
MySuper	Growth	Balanced	Conservative	
Indirect cost ratio ^{1,3}	0.48% p.a.	0.46% p.a.	0.40% p.a.	Deducted in the calculation of unit prices daily.
	Plus indirect administration fee of 0.20% p.a.			
	= 0.68% in total	= 0.66% in total	= 0.60% in total	

Estimated borrowing costs ranged between 0.00%-1.05% of the value of the options and reduced the value of the option over the last financial year. These costs were additional to the fees, indirect costs and other transactional and operational costs. For further detail, refer to the table on page 5 of the Additional Information About Your Super Guide.

1. If your account balance for a product offered by TelstraSuper is less than \$6,000 at the end of the entity's income year, the total combined amount of administration fees, investment fees and indirect costs charged to you is capped at 3% of the account balance. Any amount charged in excess of that cap must be refunded.
2. Other fees and costs such as activity fees, advice fees for personal advice or insurance fees may apply. Entry fees and exit fees cannot be charged. See the 'Additional explanation of fees and costs' in the Additional Information About Your Super Guide.
3. The indirect cost ratios (ICRs) are indicative and are based on the ICR for each investment option for the financial year ending 30 June 2019. The ICRs include costs which are known or, if not known, are reasonably estimated and which reduce either directly or indirectly the return of the investment option. The ICRs may vary from time to time. The actual amount that you will incur in subsequent financial years will depend on the actual ICRs incurred by the Trustee in managing the investment option. Refer to the 'Additional explanation of fees and costs' section of the Additional Information About Your Super Guide for more information. If you are invested in the MySuper arrangement and/or have more than one investment option, the fee deducted from gross investment earnings will be apportioned.
4. The investment fees are estimates and include fees which are paid directly by the Trustee such as management fees, any applicable performance fees charged by investment managers and custodian fees. The investment fees are based on the investment fees for the year ended 30 June 2019. The actual amount you will be charged in subsequent financial years will depend on the actual investment fees incurred for the relevant period.

Example of annual fees and costs for TelstraSuper's MySuper

This table gives an example of how the fees and costs for TelstraSuper's MySuper arrangement can affect your superannuation investment over a one year period. Use this table to compare this superannuation product with other superannuation products.

Example		
MySuper Growth		BALANCE OF \$50,000
Investment fees	0.35%	For every \$50,000 you have in MySuper Growth you will be charged \$175 each year
PLUS Administration fees	\$78	And , you will be charged \$78 in administration fees regardless of your balance (\$1.50 per week)
PLUS Indirect costs for MySuper Growth	0.68%	And , indirect costs of \$340 each year will be deducted from your investment
EQUALS Cost of product		If your balance was \$50,000, then for that year you will be charged fees of \$593 for MySuper Growth.

Note: Additional fees may apply. The example above is based on an investment in MySuper Growth (applicable to members in MySuper aged under 45). The cost for the arrangement is different for members invested in MySuper Balanced or MySuper Conservative. The investment fees and indirect costs are based on those fees and costs for the year ended 30 June 2019. The amount charged in subsequent financial years will depend on the actual investment fees and indirect costs incurred for the relevant period.

07

How super is taxed

*Except roll-ins from an unfunded or untaxed source

To encourage retirement savings, super is generally taxed at lower rates than other investments. Super payments are currently tax-free once you reach 60.

Tax on contributions

Contributions to super are taxed depending on the amount and type of contribution. Contributions can be classified as being either pre-tax (concessional) or post-tax (non-concessional) and are taxed as follows:

Pre-tax (concessional) contributions: 15% up to the pre-tax contributions cap.

If your income and concessional contributions total more than \$250,000, you may have to pay an additional 15% tax on some or all of your concessional contributions.

Post-tax (non-concessional) contributions: No tax is payable up to the post-tax contributions cap.

Contributions tax is deducted from your account at the end of each quarter or when you leave TelstraSuper.

There are caps on the amount you can contribute to super at these tax rates. See our **Additional Information About Your Super Guide** available on telstrasuper.com.au/pds for further information on contribution types and the tax and caps applicable.

! You'll pay additional tax if you go over the caps

If you've supplied us with your TFN:

- any pre-tax contributions over the contribution cap will be taxed at your marginal tax rate. The additional tax due may be paid directly to the ATO, or you can instruct us to pay it using funds from your account
- any personal post-tax contributions over the contribution cap will be taxed at 47%. This excess contributions tax may not be payable if you elect to release the excess post-tax contribution plus 85% of associated earnings.

We recommend you monitor your contributions to avoid paying excess tax. Before deciding how much to contribute, check your limits and how close you are via your online account at telstrasuper.com.au

Tax on investment earnings

Investment earnings are taxed at up to 15%. Investment earnings applied to your super account are net of tax and investment fees. These are taken out as part of the calculation of unit prices.

Tax on benefit payments

Generally, if you receive a lump sum benefit payment such as a retirement benefit from your account on or after age 60, the payment is tax-free.

The tax treatment of other benefit payments depends on factors such as your age, the tax components and the type of benefit (for example, concessions apply to death benefits or if you're disabled).

! We need your Tax File Number

When you join *TelstraSuper Corporate Plus* your employer will provide us with your Tax File Number (TFN).

Without your TFN...

1. Any pre-tax contributions will be taxed at 47% (rather than 15%).
2. We cannot accept post-tax contributions from you.
3. You may find it more difficult to consolidate your super.

If we don't have your TFN you should provide it to us as soon as possible. To find out whether we have your TFN on record log in to your online account.

You should read the important information about taxation and your super before making a decision.

Go to telstrasuper.com.au/pds and read the **Additional Information About Your Super Guide**.

The material relating to taxation may change between the time when you read this PDS and when you acquire the product.

08

Insurance in your super

Default cover on joining

TelstraSuper recognises the importance of adequate levels of insurance. We're committed to providing our members with comprehensive, affordable and convenient cover.

The tables on page 7 are a summary guide to the default[‡] cover available to new *TelstraSuper Corporate Plus* members for:

- Death cover – provides a lump sum for your dependants or your legal personal representative and can be paid to you if you become terminally ill
- TPD cover – provides you with a lump sum if you become permanently disabled through sickness or accident
- Income Protection cover – provides a monthly income benefit if you're temporarily unable to work due to sickness or accident, plus a monthly super contribution.

Insurance cover is provided to TelstraSuper members through TAL Life Limited (TAL).

If you identify as non-binary or wish to update your gender please see page 4 of the **TelstraSuper Corporate Plus Insurance Guide**.

[‡] Subject to satisfying the 'At Work' definition. If you do not satisfy the At Work definition, Limited Cover will apply.

At Work means you are actively performing all the primary duties of your regular occupation and are not in receipt of and/or entitled to claim income support benefits from any source including workers' compensation benefits, statutory transport accident benefits and disability income benefits.

Limited Cover means you are only covered for:

- a) sickness that first becomes apparent, or
 - b) an accident that first occurs;
- on or after the date the cover commences, recommences, or increases.

Permanent full-time, part-time employees and eligible contractors

Age*	Death & TPD cover	Income Protection	Who pays
60 or under	Benefit based on your age and salary for insurance purposes [†] .	Typically 75% of salary excluding super paid as a monthly benefit, plus 10% of salary excluding super paid as a monthly super contribution [‡] .	Generally, Death & TPD premiums are paid for by your employer but this may change in the future [§] . Income Protection premiums are deducted from your <i>TelstraSuper Corporate Plus</i> account at the end of each quarter, or if you leave the Fund or transfer to another TelstraSuper product [#] .
61 to 65	Benefit based on your age.		
66 to 75	Death only cover.	Not available.	

Casual employees

Age*	Death & TPD cover	Income Protection	Who pays
Up to and including 65	Benefit ranges between \$155,194 (for a 16 year old) to \$12,254 (for a 65 year old).	Not available.	Generally, Death & TPD premiums are deducted from your super account at the end of each quarter or when you leave the Fund or transfer to another TelstraSuper account.
66 to 75	Death only cover.		

Default cover is available to eligible members from your first day of membership, without having to provide evidence of your occupation, health and lifestyle. If you are under 25 years of age or have an account balance that is less than \$6,000, you will not automatically receive any member paid insurance cover. You will be required to complete an **Opt-in Member paid default insurance cover** form to receive this cover. Refer to the **TelstraSuper Corporate Plus Insurance Guide** for more information.

If you don't choose to become a member of TelstraSuper within the first 120 days of being eligible to do so, you'll need to apply for Death & TPD and Income Protection cover (where applicable) and that application will be subject to an assessment of your occupation, health and lifestyle by our insurer.

Top-up Death & TPD cover

You can apply to increase your level of insurance cover at any time. Any insurance in addition to your base level of cover is referred to as top-up cover and top-up cover premium rates apply. You can apply for any amount of top-up Death cover and up to \$5 million total TPD cover.

Cost of base Death & TPD cover

Generally, the premiums for your default* base level of Death & TPD cover are paid for by your employer[§].

Permanent full-time, part-time employees and eligible contractors

Annual base Death & TPD insurance premiums currently range between 68 cents and \$11.85 per \$1,000 of insurance cover, depending on your age. For example, the annual insurance premium for a person turning 38 is 78 cents per \$1,000 of cover. The premium actually paid will depend on the person's salary for insurance purposes. For example, the premium for a member turning 38 and a salary for super purposes of \$70,000 would be \$49.14 per quarter.

If you're aged 61 to 65* your Death & TPD insurance premiums are \$2.35 per week. If you're aged 66 to 75*, your base Death only cover is age-based and costs \$1.23 per week.

Casual employees

The cost of your base Death & TPD cover is \$2.36 per week if you're 65 or under. If you're age 66 to 75 the cost of Death only cover is \$1.23 per week.

Special offer for new members – increase your cover without health evidence

If you're a new member you can apply to increase your level of cover without the need for health evidence, providing you do so within 120 days from the date you started with your employer.

Simply complete the **Insurance Special Offer** form available at telstrasuper.com.au/forms or by calling us.

Cost of Income Protection

Annual Income Protection premiums range between \$0.87 and \$19.16 per \$1,000 of insurance (based on your default income protection of a two year benefit period and 90 day waiting period), depending on your age and gender. The premium paid depends on your salary for insurance purposes[†].

Example of Income Protection insurance

75% x Salary excluding super
= Annual income protection benefit paid to you
÷ 12
= Monthly income protection benefit
and

10% x Salary excluding super
= Annual income protection super contribution
÷ 12
= Monthly income protection super contribution

Your Income Protection premium is calculated as:

Annual income protection benefit plus annual income protection super contribution
÷ 1,000
x Premium rate per \$1,000 of insurance
= Annual Income Protection premium

! Insurance premiums

Insurance premiums, where not paid by your employer, will be deducted from your *TelstraSuper Corporate Plus* account at the end of each quarter or on withdrawal if you leave *TelstraSuper Corporate Plus* during the quarter.

Insurance premiums are published on our website and in the **TelstraSuper Corporate Plus Insurance Guide**. Your premium will vary annually with changes to your age* and your salary for insurance purposes.

Insurance premiums shown here apply to *TelstraSuper Corporate Plus* and will change if you transfer to *TelstraSuper Personal Plus* (after leaving employment with the Telstra Group).

* All references to age are age next birthday as at last 1 July.

† Base cover for Telstra 2014 Super Offer members is based on the better of: (Greater of DB Multiple or TelstraSuper Corporate Plus Multiple) x (Greater of FAS at the transfer date or Salary for insurance purposes (at each 1 July)).

‡ Not applicable to former TelstraSuper Division 2 members.

§ Refer to the *TelstraSuper Corporate Plus Insurance Guide* for more information.

Eligible Foxtel employees have this cost paid by their employer.

^ Subject to satisfying the 'At Work' definition. If you do not satisfy the 'At Work' definition, 'Limited Cover' will apply.

At Work means you are actively performing all the primary duties of your regular occupation and are not in receipt of and/or entitled to claim income support benefits from any source including workers' compensation benefits, statutory transport accident benefits and disability income benefits.

Limited Cover means you are only covered for:

- a) sickness that first becomes apparent, or
- b) an accident that first occurs;

on or after the date the cover commences, recommences, or increases.

Changing or cancelling your cover

New members can apply for additional cover with TelstraSuper within the first 120 days of starting their new job without the need for health evidence. Simply complete the **Insurance Special Offer** form available at telstrasuper.com.au/forms or by calling us.

If more than 120 days have passed since you started your new job, you can still apply to increase your insurance cover but you'll need to provide detailed health and other personal information. To apply over the phone with our insurer, complete an **Insurance Telephone Application Request** form available at telstrasuper.com.au/forms or by calling us.

You can cancel any default cover you don't want by emailing underwriting@telstrasuper.com.au or calling us on **1300 033 166**. Alternatively, you can complete a **Cancel or Reduce Insurance** form available at telstrasuper.com.au/forms

If you cancel your cover:

- you will not be able to make a claim for insurance benefits for events or conditions that arise after your cover has cancelled
- we will no longer deduct insurance premiums for the cover you have cancelled
- your ability to restart your cover may be subject to health assessment and acceptance by our insurer who may place an exclusion or premium loading on cover, and you may not be able to get cover
- if you are replacing your cover with alternative cover, you should not cancel until the replacement cover is in place.

Before you cancel your insurance you may wish to discuss your decision with a TelstraSuper Financial Planning Adviser on **1300 033 166**.

Cancelling cover for inactive accounts

If a contribution or transfer has not been made to your account in the previous 16 months, government regulations require us to cancel your insurance cover unless you elect for your cover to be maintained.

We will write to you when your account has been inactive for 9, 12 and 15 months when you'll be reminded about the option to elect for your cover to be maintained, or to make a contribution to your account.

Transferring Defined Benefit members

As a former Defined Benefit member, your previous level of Death & TPD will be transferred to *TelstraSuper Corporate Plus*. Your previous level of cover will be split between base cover and top-up cover, to the same total value, without the need for assessment by our insurer. Top-up cover premiums do not incur a loading and will be deducted from your account at the end of each quarter. See the **TelstraSuper Corporate Plus Insurance Guide** for applicable premiums.

Members aged 61 to 65 will automatically receive age-based Death & TPD cover for \$2.78 per week and existing default Death cover will continue at a cost of \$1.45 per week from age 66 to 75. Premiums are paid by your employer.

Former Defined Benefit members employed by Telstra or Sensis who transfer into casual employment will receive age-based Death & TPD cover for \$2.79 per week with premiums deducted from their account at the end of each quarter.

TelstraSuper Division 5 and *Sensis Super Plus* - Defined Benefit members with existing Income Protection cover will also have that cover automatically transferred to *TelstraSuper Corporate Plus*[†]. Please note, Income Protection calculations differ in your new product as detailed on page 7. Income Protection premiums will be deducted from your account at the end of each quarter. Former *TelstraSuper Division 2* members can apply for Income Protection cover and be assessed by our insurer.

You should read the important information about insurance in your super before making a decision.

Go to telstrasuper.com.au/pds and read the **TelstraSuper Corporate Plus Insurance Guide**.

The material relating to insurance may change between the time when you read this PDS and when you acquire the product.

[†] Subject to the terms and conditions contained in the Policy.

How to open an account

As a new Telstra Group employee you automatically become a member of *TelstraSuper Corporate Plus* unless you choose to join another fund. That's because TelstraSuper is the default fund for participating Telstra Group employers.

Once your employer advises us you have started work, we'll open an account in your name and send you a Welcome Kit. There is nothing you need to do.

Any contributions received will automatically be invested in TelstraSuper's MySuper arrangement until you make an investment choice (see page 4).

If you're an existing Telstra Group employee and wish to join TelstraSuper, please see your payroll or your Human Resources business partner.

Resolving problems

Call us if you have a problem and we will try our best to solve it as quickly as possible. Please contact TelstraSuper on **1300 033 166** or write to:

Complaints Officer
TelstraSuper
PO Box 14309
MELBOURNE VIC 8001

You can also lodge a complaint with the Australian Financial Complaints Authority (AFCA). AFCA is an independent external complaints resolution scheme for the financial services industry. Generally, AFCA will not commence to deal with a complaint unless it has been considered by our internal complaints' procedure.

AFCA can be contacted via:

GPO Box 3, Melbourne VIC 3001
Email: info@afca.org.au
Phone: 1800 931 678
Website: www.afca.org.au
